**WHOLE HEALTH MANAGEMENT TO OPERATE ON-SITE WELLNESS  
CENTER AT THE SCOTT'S MIRACLE-GRO COMPANY**

*New facility provides total health and wellness solution  
to employees at lawn & garden leader's headquarters*

**Marysville, Ohio – December 12, 2005** – Whole Health Management, a leading operator of on-site health clinics, wellness and fitness centers for large self-insured corporations, and The Scotts Miracle-Gro Company, the world's largest marketer of branded consumer lawn and garden products, announce the opening of the Scotts Wellness Center at ScottsMiracle-Gro's world headquarters in Marysville, Ohio. A state-of-the-art, 24,000 square-foot health and fitness facility, the Scotts Wellness Center provides convenient, quality health services to ScottsMiracle-Gro associates. The center represents ScottsMiracle-Gro's commitment to the health and well-being of its associates.

"We are focused on the total health of our associates and providing them with the tools to help them live a healthy lifestyle," said Jim Hagedorn, chairman and chief executive officer of ScottsMiracle-Gro. "The Scotts Wellness Center is part of an integrated and comprehensive approach we are taking to help our workforce better manage their health risks, which in the long term we believe will help lower medical costs."

The Scotts Wellness Center will provide three main service areas: medical care, physical fitness programs and pharmacy.

**Medical Services**

Whole Health will operate the center's medical clinic, open weekdays 7:00 a.m. to 7:00 p.m., and provide a range of services for which there will be no charge to associates, dependents and eligible

retirees who are enrolled in the Scotts medical plan. Whole Health will staff the facility with a team of clinicians including a medical director, nurse practitioners, registered nurses, physical therapists, medical technicians and registered dietitians, all working under the supervision of an on-site medical director.

Whole Health specializes in on-site health services that offer comprehensive care and are capable of serving as an individual's primary care provider, if they so choose. At ScottsMiracle-Gro, Whole Health will be responsible for primary care and occupational health services, including:

- Adult and pediatric care
- Health screenings and annual physicals
- Treatment of injury and illness
- International travel preparations
- Laboratory services
- X-ray services
- Pre-employment screenings
- Flu shot programs and other immunizations
- Physical therapy
- Nutrition services

#### **Physical Fitness Services**

Whole Health also operates the recently-opened Scotts Wellness Center's fitness facility. The center is fully outfitted with strength and conditioning equipment, free weights, aerobic equipment and large-screen televisions. The center is staffed with a kinesiologist, exercise specialists, and personal trainers. The fitness center is open from 5:00 a.m. to 11:00 p.m. weekdays to accommodate associates' schedules. A broad range of exercise classes, including yoga, cycling, and cardio vascular/strength training classes are offered each week.

In the first week of availability, 775 of ScottsMiracle-Gro's eligible associates and spouses registered for the fitness center.

#### **Pharmacy**

The Scotts Wellness Center's drive-thru pharmacy, managed by Familymeds Inc., will provide prescription drugs, over-the-counter medications and other pharmacy items. Generic drugs will be free for associates, and brand-name drugs will have low co-payments. The pharmacy will fill all mail-order prescriptions for ScottsMiracle-Gro's U.S. associates and offer on-site delivery in Marysville.

“The Scotts Wellness Center is a comprehensive, state-of-the-art facility, not only in terms of its physical footprint, but also in the scope of services and benefits it provides to associates and their family members,” said Jim Hummer, Whole Health’s founder and CEO. “We’re thrilled by the opportunity to collaborate with ScottsMiracle-Gro executives to customize a complete health solution that not only meets their needs, but inspires associates and their families to use it to their fullest advantage.”
